Barre Body- Focus on form and precision while performing small isometric movements emphasizing basic alignment, foundation, and specific muscle actions. Each class includes several highly effective sequences of toning and resistance exercises with an emphasis on the core, arms, glutes, and thighs. Each strength section of this workout is followed by a stretching section to create long, lean muscle without bulk. These are challenging, no-impact classes that require focus and precision for maximum results.

Body Blast - A circuit style class mixing free weights, cardio, bosu balls, intervals, and your own body weight. Come join this class for a total body workout that will leave you energized!

Yoga - This class uses an invigorating flow of movement in breath, posture, and music, creating a practice that opens, heals, detoxifies, exhilarates and challenges the body.

Power Pump - A cardiovascular strength-training class designed to build lean muscle and provide a results-oriented whole body workout. Build and sculpt muscles, strengthen core, increase flexibility while burning fat.

Group Spinning - This is an indoor cycling class using changes in resistance and cadence in efforts to simulate an outdoor ride. The class is designed to challenge both beginners and advanced riders.

Pilates - Strengthens and tones muscles, improves posture, provides flexibility and balance. A variety of intensity options are given for beginner to advanced. Learn the skills and principles of Pilates to work deeper in the core and create quality movement.

TRX - This class implements cardio and fundamental exercises to develop strength, balance, flexibility, and core stability simultaneously. TRX leverages gravity and your bodyweight to perform hundreds of exercises. You're in control of how much you want to challenge yourself.

Booty Camp - This high energy class focuses on toning the lower body while keeping your heart rate up. This 45 minute class is designed to be efficient, fun, and challenging.

Power Spin - A circuit-based class using spin bikes, free weights, bosu balls, and intervals. Come burn calories and have fun!

Shallow-Water Conditioning - Moving in the water offers an effective way to exercise without incurring the impact of land-based exercises. Warm water makes this class joint friendly and will increase your mobility, flexibility, balance, and coordination.

Deep-Water (Multi-Level) Conditioning - This fun and challenging water workout will take you to a new fitness level. Engage yourself in the ultimate water workout! This class provides cardiovascular conditioning, resistance training, and flexibility. Aqua training is an excellent low-impact workout and a great way to cross-train.
